April 11

April 18 - Graduation Ceremony

COMMITMENTS

There is a financial commitment to being part of NEXGEN. However, thanks to the generous donations of First Savings Bank, tuition for the NEXGEN Program is only \$100 (+3% if paid with a credit card) for each student. This covers supplies, meals and transportation when needed. Limited tuition scholarships are available on a first-come, first-serve basis. If interested in receiving assistance, please call 812-246-6574.

Students will have seven in-person/virtual days they must attend, as well as Orientation and Graduation events. Typical class days are 7:30 AM - 2:30 PM and are subject to change. Each NEXGEN student will also participate in a philanthropic project which will require its own time commitment (approximately 5-10 hours).

We also ask that participants show a willingness to continue to support LSI through time, talent and treasure, and referral of future candidates for the benefit of our community.

EXPECTATIONS

- Grow as a leader by learning and embracing the personality traits that make you who you are.
- Increase your financial literacy through engaging concepts.
- Kick start your love for supporting the community's not for profit sectors.
- Make new friends and connections.
- See Southern Indiana in a whole new light!
- Build your college/career profile and network.
